The Petition under 37 C.F.R. 1.47(b), filed on February 20, 2002, stated that the sole inventor, Rick Winter, refused to execute the Declaration and Power of Attorney. Since the time of filing the Petition, Mr. Winter has finally executed the Declaration and Power of Attorney, copies of which are attached hereto (Exhibit A).

Accordingly, Applicant hereby requests the previous Petition under 37 C.F.R. 1.47(b), filed on February 20, 2002, be held moot as the sole inventor has duly executed the application.

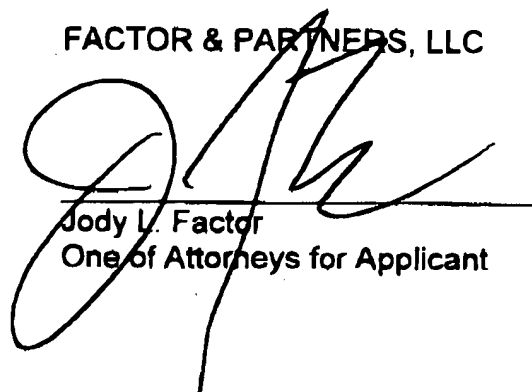

Applicant notes that the original Petition was filed concurrently with a Response to the Notice to File Missing Parts, wherein all outstanding requirements were duly satisfied. Furthermore, as all requisite fees were paid in connection with the Petition and Notice, no fees are enclosed herewith.

In light of the above, it is respectfully submitted that the application is now in condition for examination and allowance of the Petition is requested.

Should anything further be required, a telephone call to the undersigned at (312) 226-1818 is respectfully solicited.

Respectfully submitted,
